# 申請與使用 Cloud9 IDE

- 首先，你需要一個 E-mail 帳號
- 接下來，連上 <http://c9.io> ，申請加入 Cloud9
- 建立新的 Workspace （ 虛擬主機 ）
- 上傳 Lab 練習檔案
- 預覽作品試試看效果
- 關閉虛擬主機
- 只要有網路，隨時可以開啟 Workspace 創作程式

# 首先，你需要一個 E-mail 帳號 (一)

The image shows a screenshot of the Gmail website in a web browser. The browser's address bar displays the URL <https://www.google.com/intl/zh-TW/mail/help/about.html>. The page features the Google logo at the top, with navigation links for '登入' (Sign in) and '建立帳戶' (Create account). Below the logo, there are links for 'M Gmail', '功能' (Features), '行動版' (Mobile), 'For work', and '說明' (Help). A banner image shows a hand holding a smartphone displaying the Gmail app interface. The app screen shows a list of emails and a '建立帳戶' (Create account) button. The background of the banner image is a blurred crowd of people.

無論使用何種裝置，都能輕鬆享有 Gmail 的強大功能

建立帳戶

如果沒有，請到 <https://mail.google.com> 申請一個新的。

# 首先，你需要一個 E-mail 帳號 (一)

## 建立您的 Google 帳戶

只要一個帳戶，即可暢行所有 Google 產品與服務

只要使用一組使用者名稱與密碼登入，就能盡享各種豐富的 Google 服務。

隨時隨地使用所

可在不同的裝置間切換，作業不中斷。

# 如何申請加入 Cloud9 (一)

以瀏覽器連接到 <http://c9.io>

輸入 E-mail，點按 SIGN UP 按鈕

# 如何申請加入 Cloud9 (二)

The screenshot shows a web browser window with the URL <https://c9.io/signup/fullname>. The page title is "Signup - Build Better Apps". The main heading is "What can I call you?" with the subtext "All good artists want their name attached to their work." Below this is a text input field labeled "Name" with the placeholder text "Your name". This field is highlighted with a red rectangular box. To the right of the input field, there is a blue sidebar with the text "Have an existing account?" and a "Sign In" button. At the bottom of the main content area, there is a green "Next >" button and a series of five dots, with the first dot being filled. A semi-transparent grey box with a red number "3" and the text "填入你的名字" (Enter your name) is overlaid on the right side of the page.

9

What can I call you?

All good artists want their name attached to their work.

Name

Your name

Your name will show up in your public user profile, alongside any public workspaces you have. You can change this later in your settings.

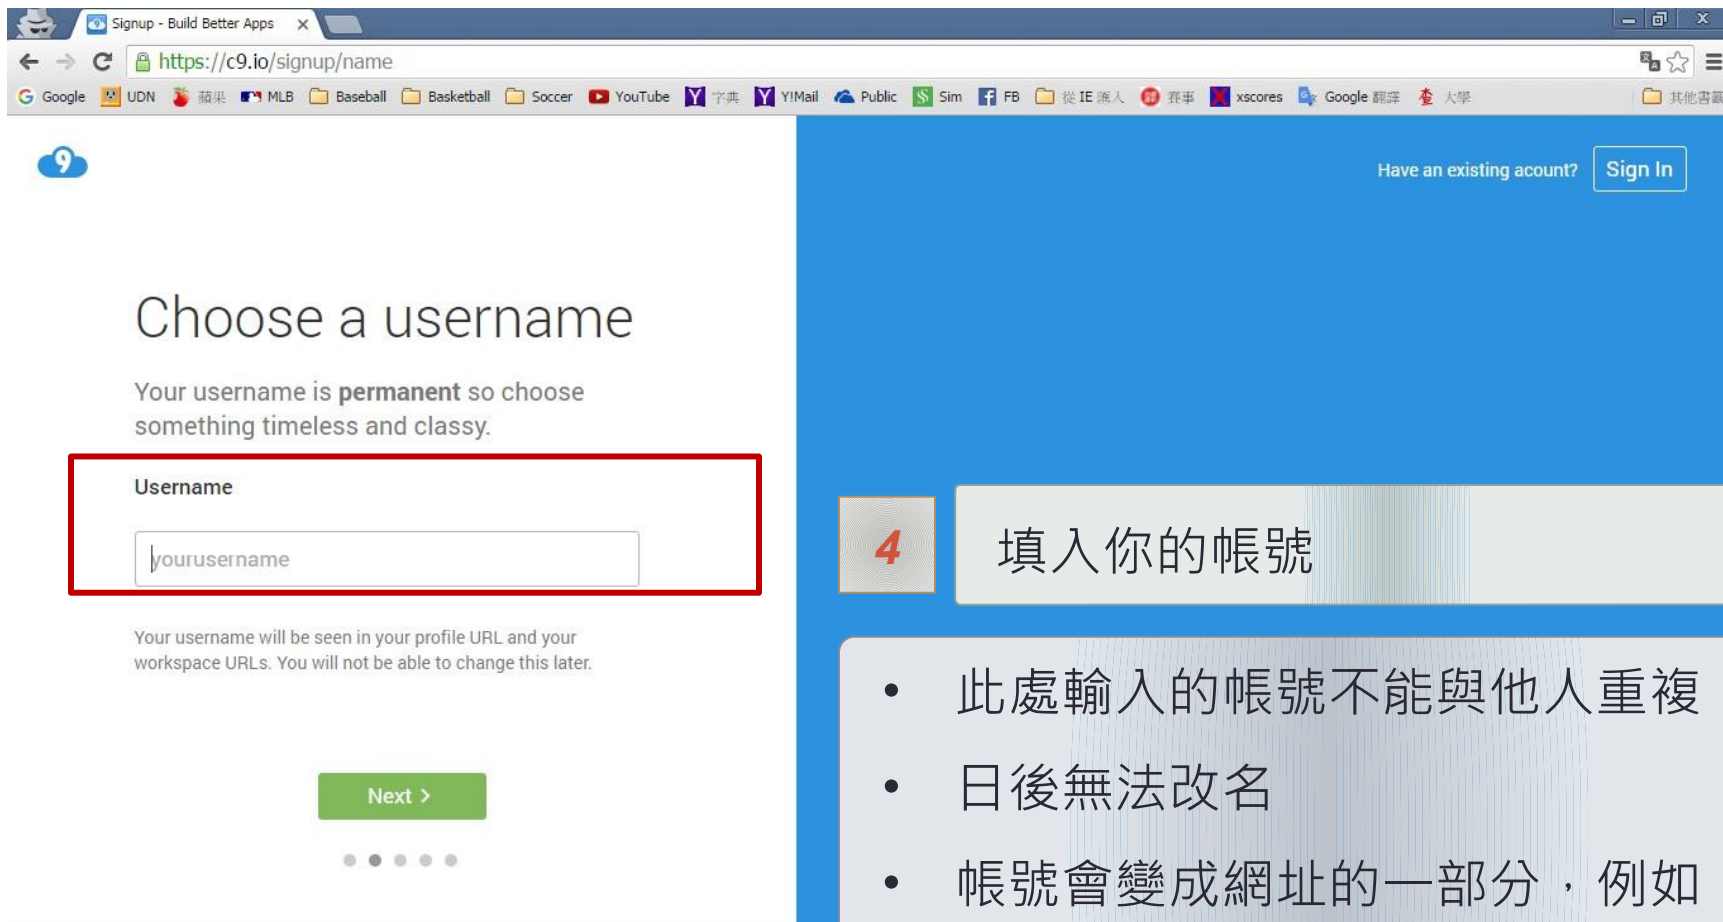

Next >

3 填入你的名字

Have an existing account? Sign In

# 如何申請加入 Cloud9 (三)

The screenshot shows a web browser window with the URL <https://c9.io/signup/name>. The page title is "Signup - Build Better Apps". The main heading is "Choose a username". Below it, a message states: "Your username is **permanent** so choose something timeless and classy." A text input field labeled "Username" contains the placeholder text "yourusername". Below the input field, a note says: "Your username will be seen in your profile URL and your workspace URLs. You will not be able to change this later." At the bottom of the form is a green "Next >" button. On the right side of the page, there is a blue section with the text "Have an existing account?" and a "Sign In" button.

4 填入你的帳號

- 此處輸入的帳號不能與他人重複
- 日後無法改名
- 帳號會變成網址的一部分，例如：  
<https://lab-appdev0425.c9users.io/>

# 如何申請加入 Cloud9 (四)

The screenshot shows the Cloud9 signup survey page. The browser address bar displays <https://c9.io/signup/survey>. The page title is "Tell us about yourself" with the subtitle "For an experience tailored to your needs." There are two red rectangular boxes highlighting specific form elements. The first box is around the question "What kind of developer are you?" and its dropdown menu, which currently shows "Select one". The second box is around the question "How will you use Cloud9?" and its dropdown menu, which also shows "Select one". Below the second dropdown is a green "Next >" button. To the right of the form, there is a blue sidebar with a "Sign In" button and two numbered callouts: "5 選擇角色身份：例如 Student" and "6 為何使用 c9，例如：CourseWork".

9

## Tell us about yourself

For an experience tailored to your needs.

What kind of developer are you?

Select one

If you're not professional now, perhaps you will be at some point so you can always change this in your settings.

How will you use Cloud9?

Select one

So we can help you use Cloud9 exactly the way you want to.

Next >

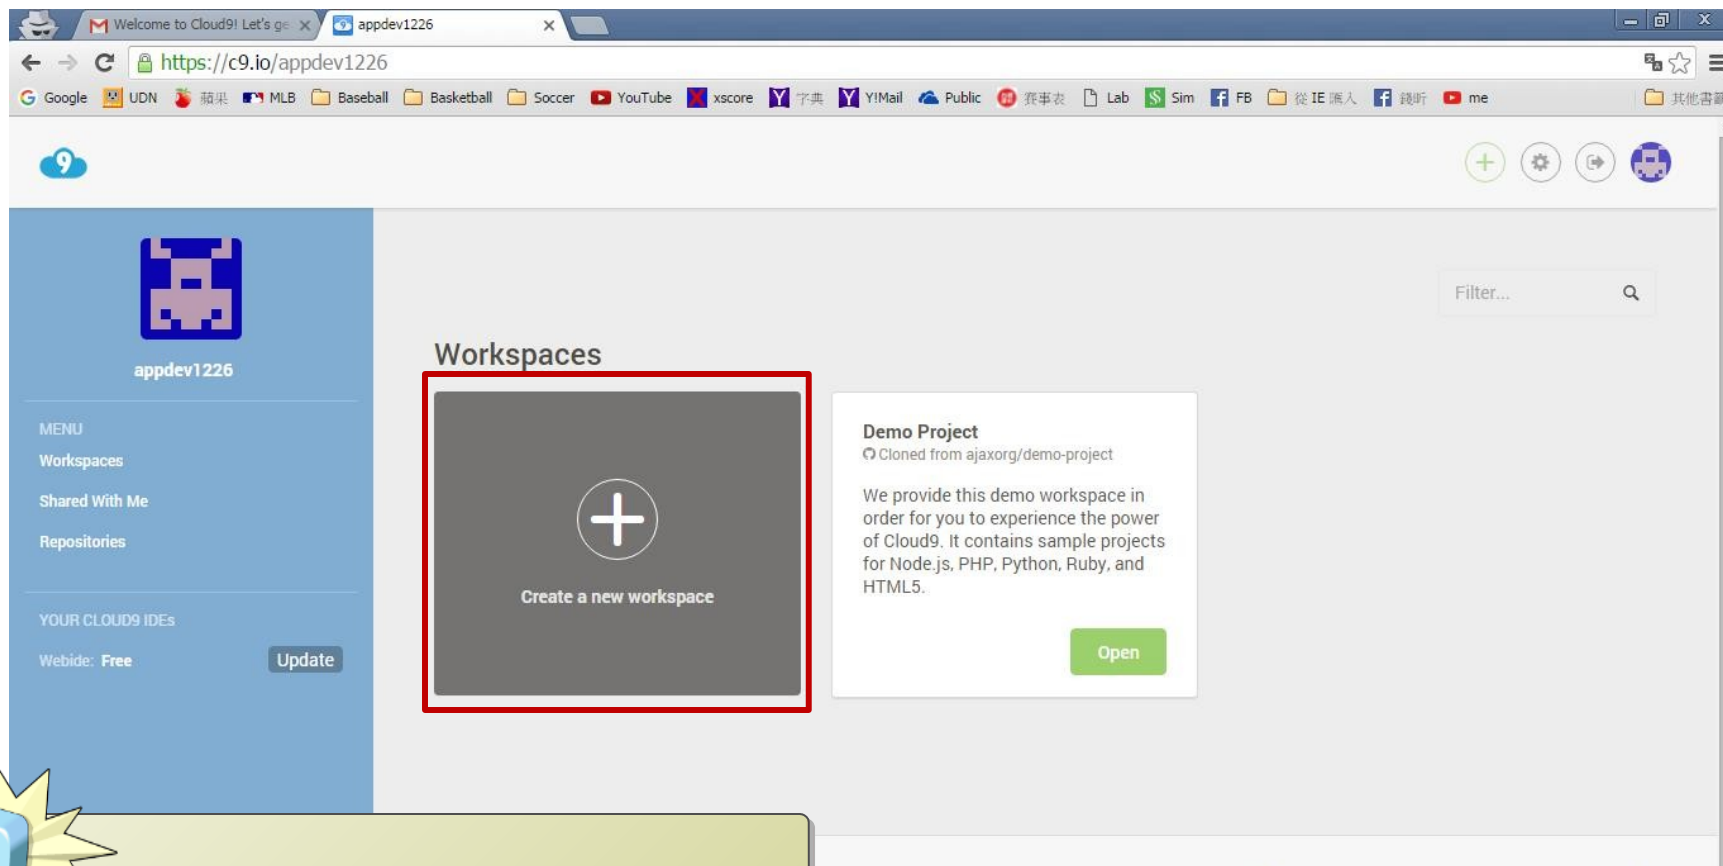

Have an existing account? [Sign In](#)

5 選擇角色身份：例如 Student

6 為何使用 c9，例如：CourseWork

# 建立新的 Workspace (一)

Workspace = 虛擬主機

1

點按「Create a new workspace」

# 建立新的 Workspace (二)

io/new

MLB Baseball Basketball Soccer YouTube 字典 Y!Mail Public Sim FB 從 IE 匯入 賽事 xscores Google 翻譯 查 大學

## Create a new workspace

Workspace name

Description

Hosted workspace Clone workspace Remote SSH workspace

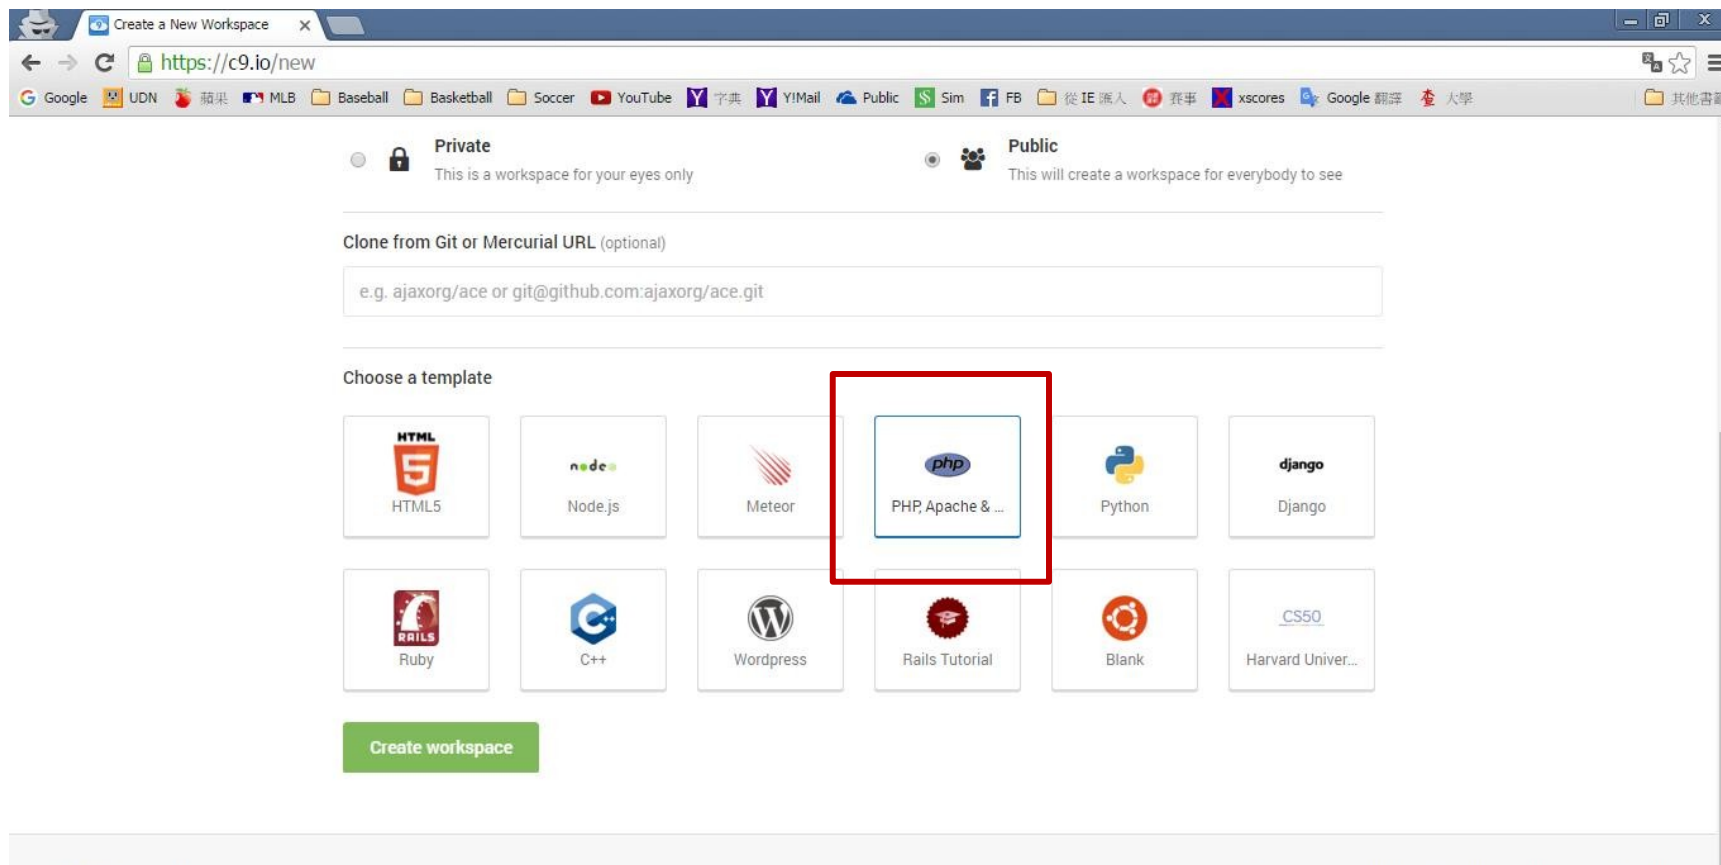

☐ Private  
This is a workspace for your eyes only

2

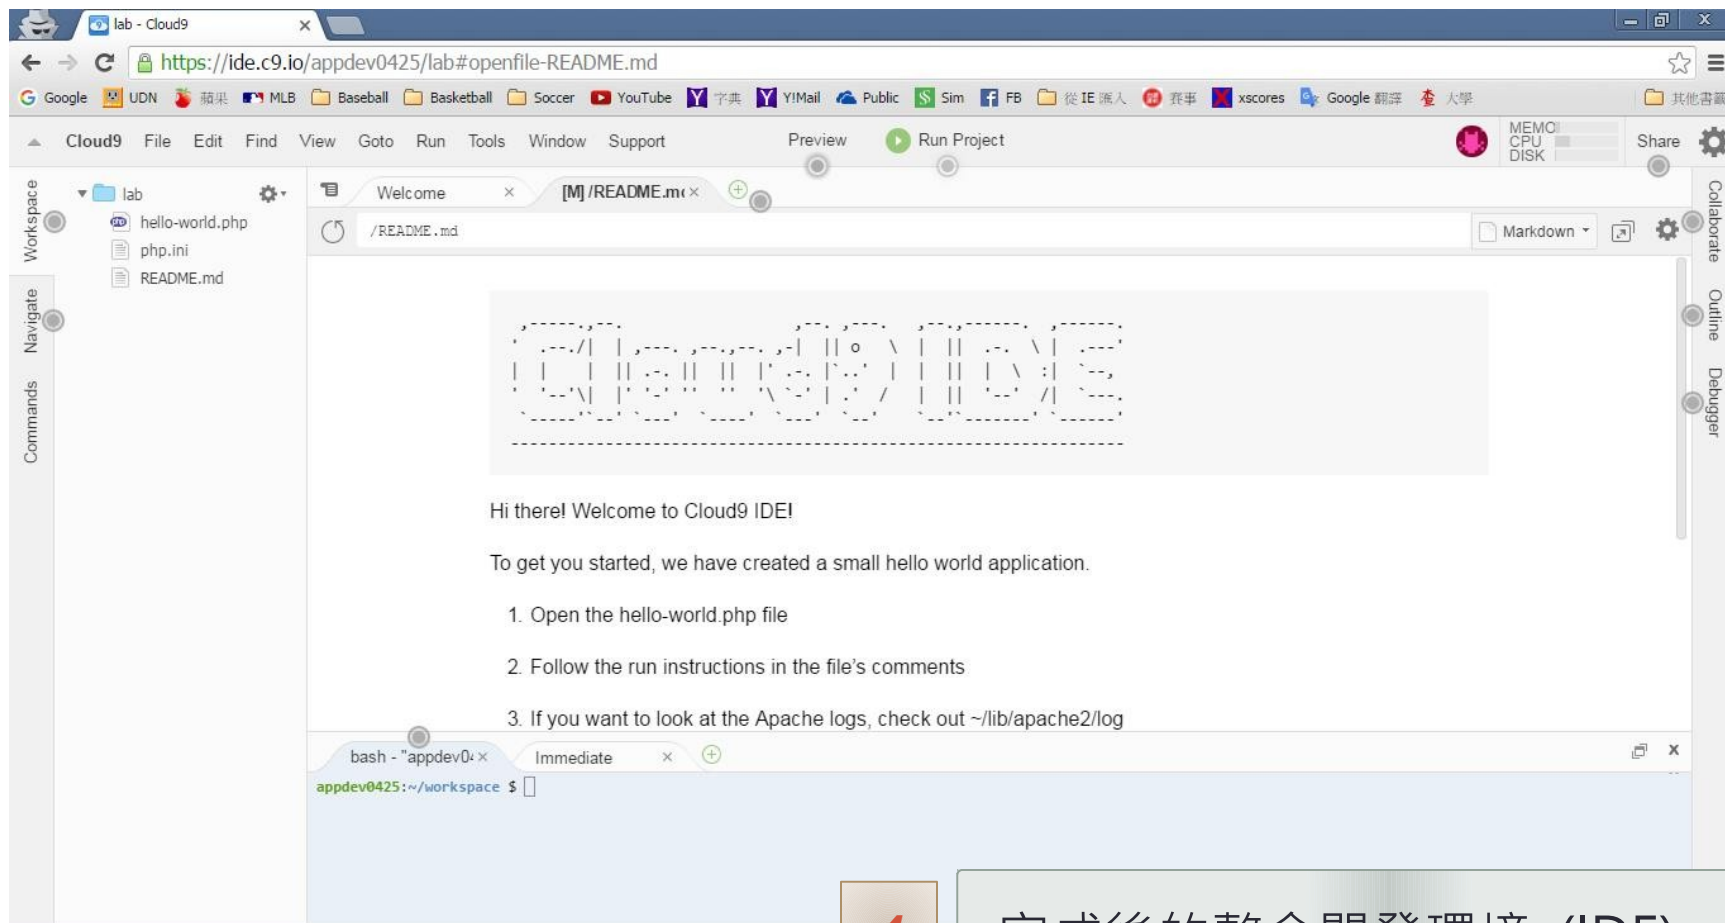

輸入 Workspace 名稱，例如：  
lab

This will create a workspace for everybody to see

# 建立新的 Workspace (三)

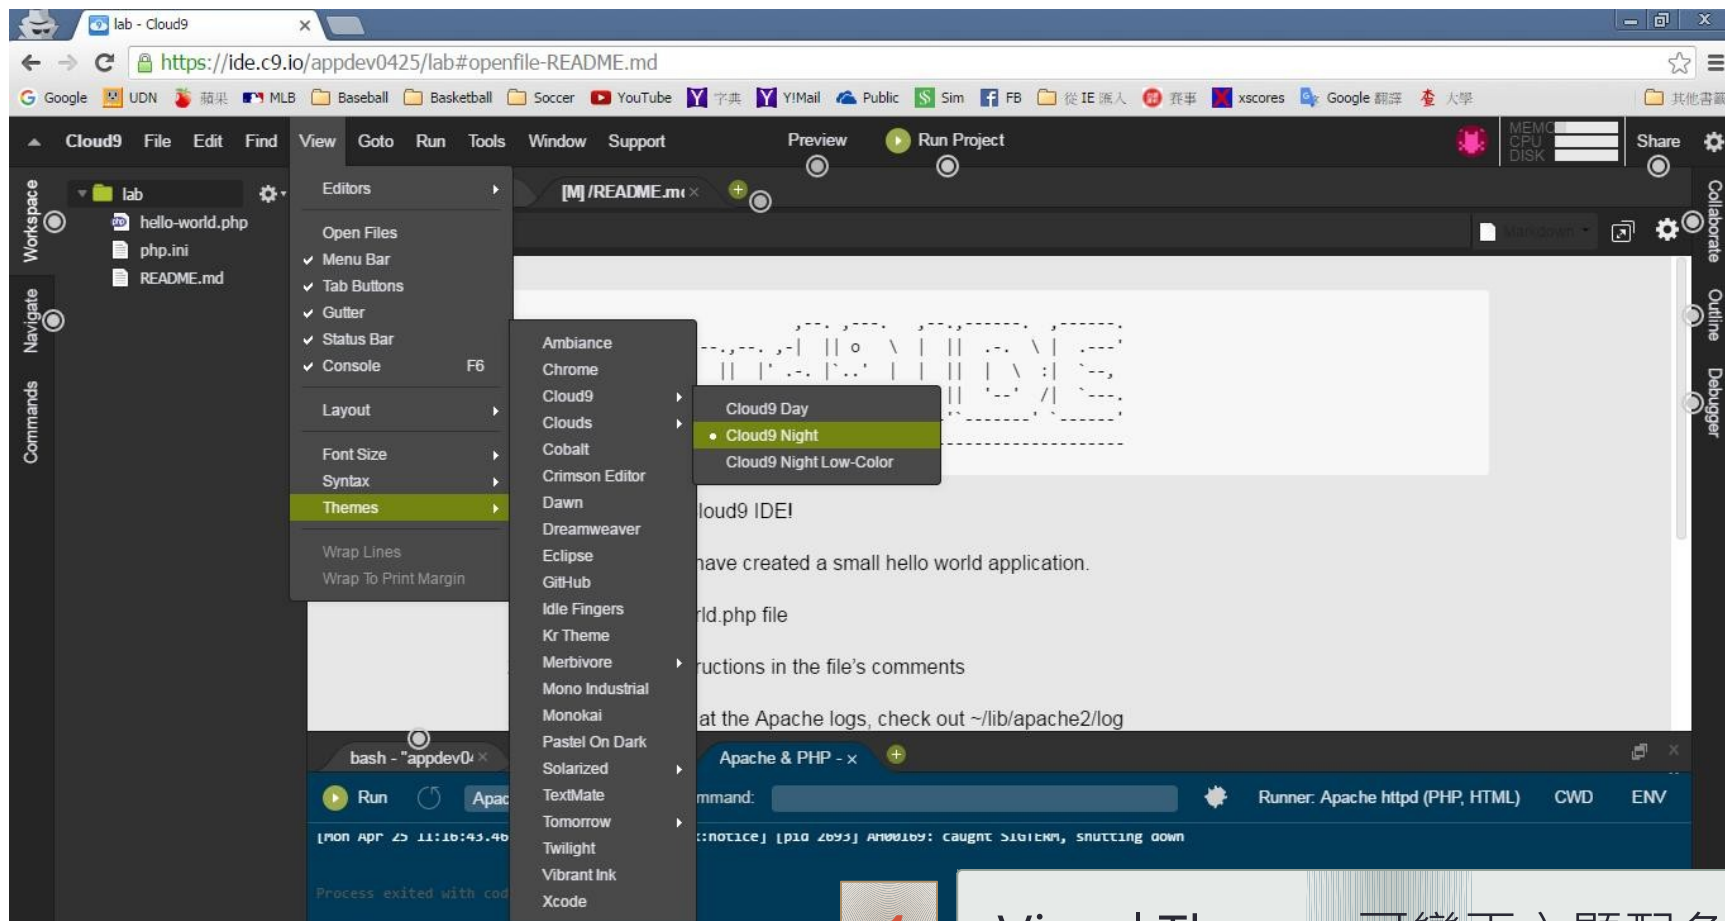

# 建立新的 Workspace ( 四 )

4

完成後的整合開發環境 (IDE)

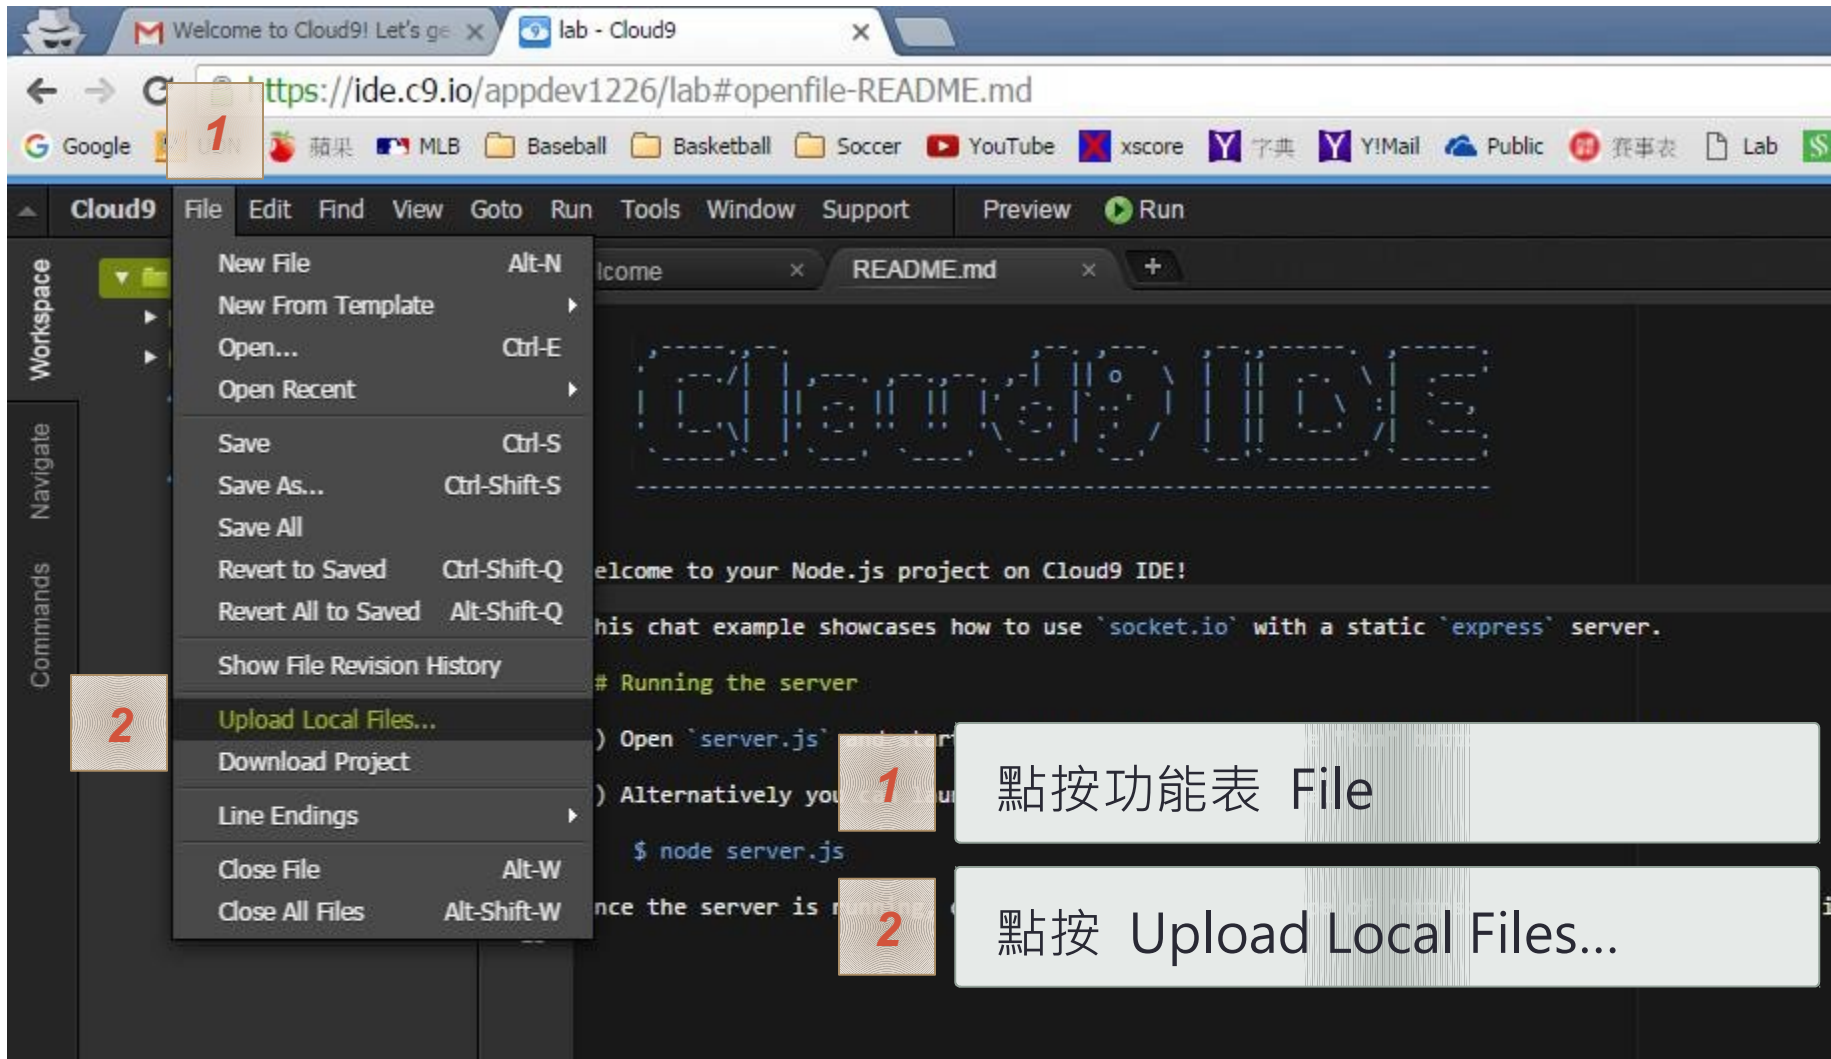

# 建立新的 Workspace (五)

4

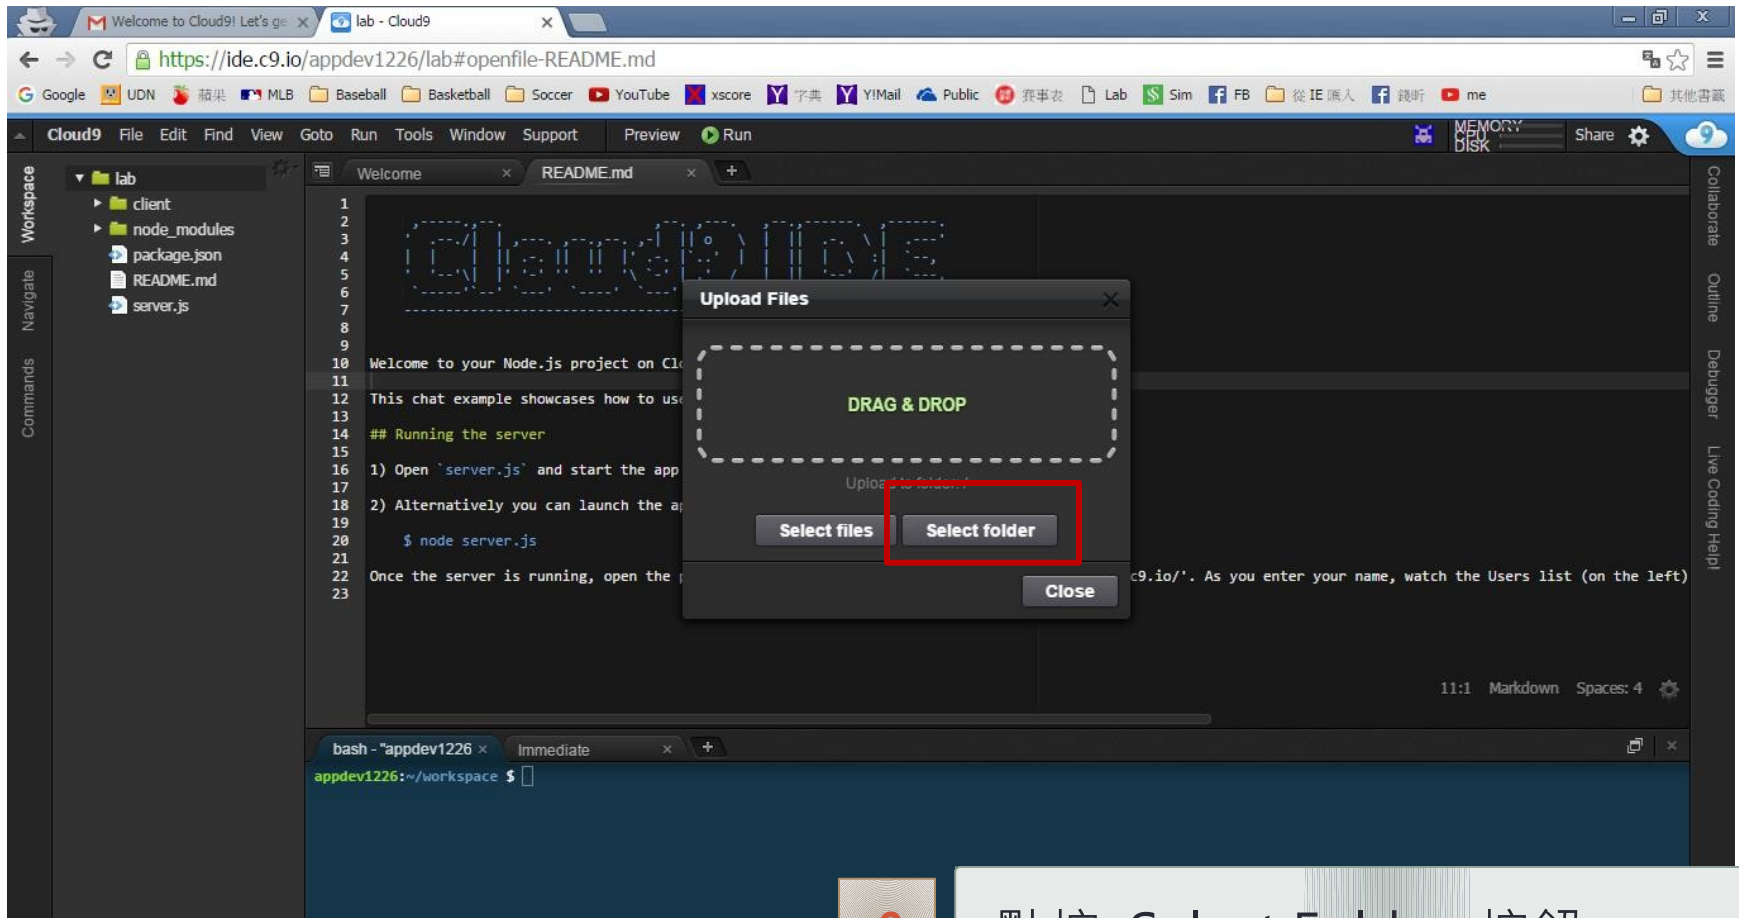

View | Theme 可變更主題配色

# 上傳 Lab 練習檔案 (一)

# 上傳 Lab 練習檔案 (二)

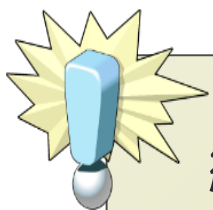

3

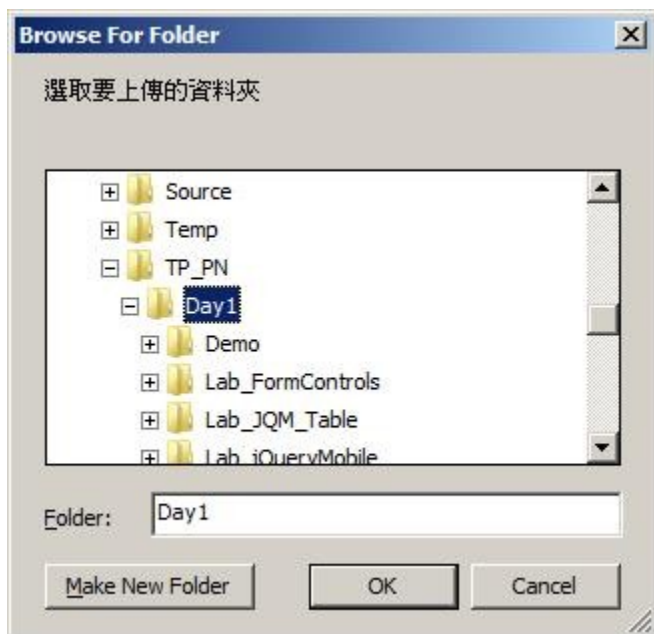

點按 Select Folder 按鈕

# 上傳 Lab 練習檔案 (三)

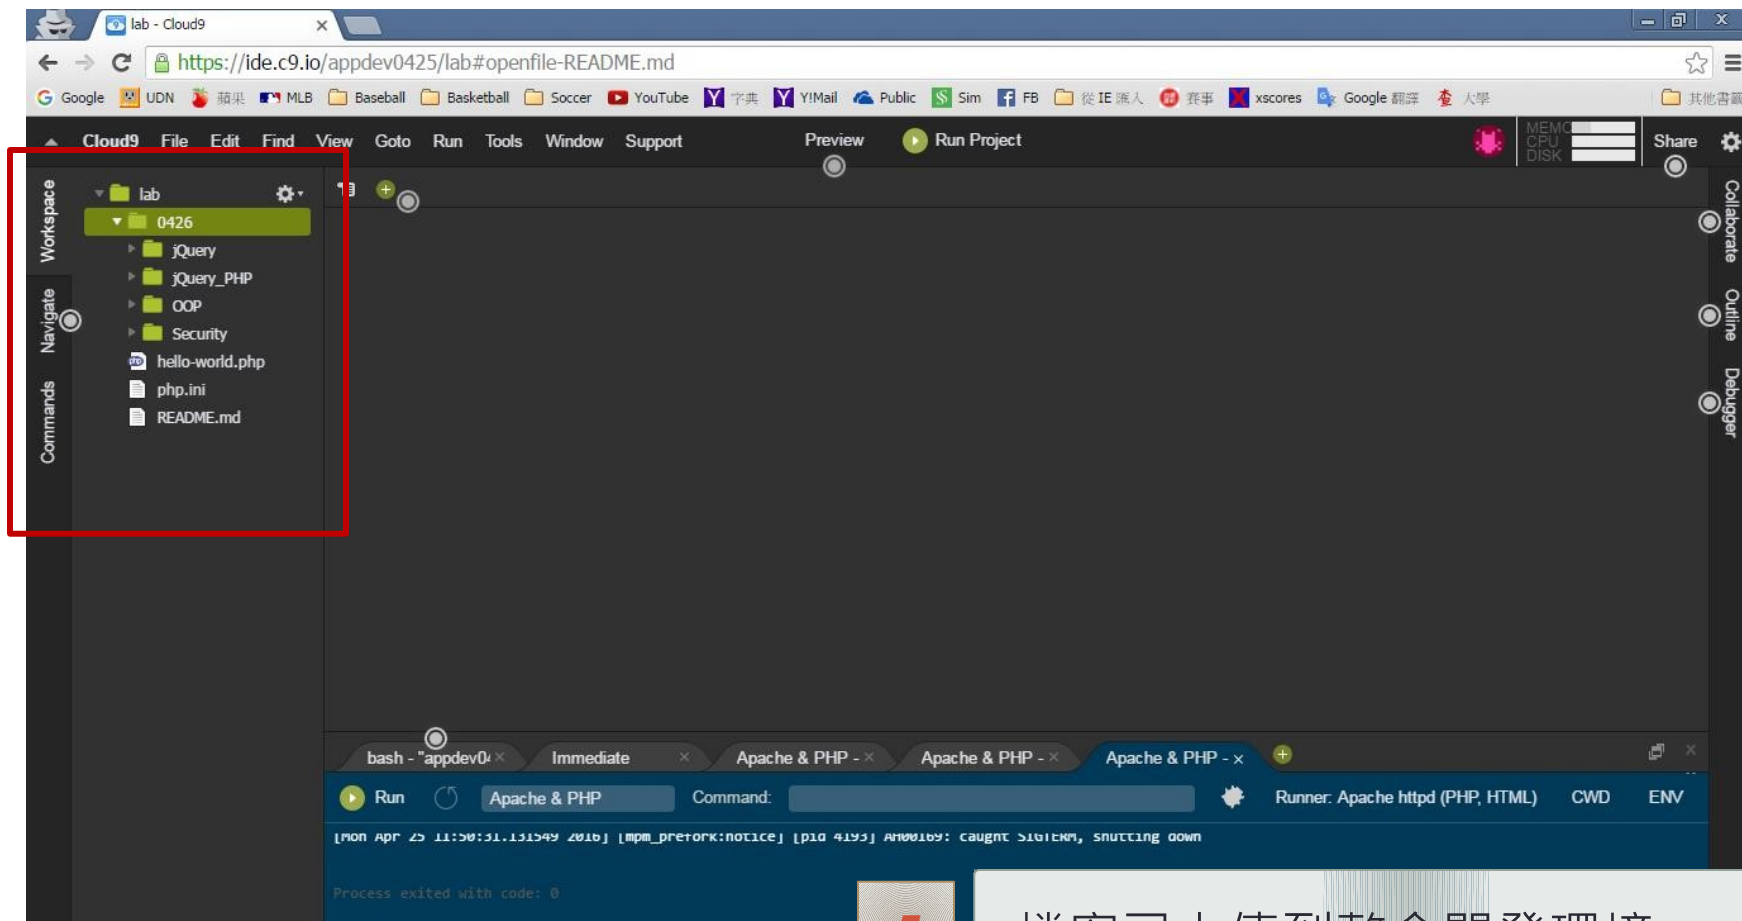

練習檔案，請從 <http://sdrv.ms/178960Y> 下載

4

選擇第一天的資料夾，點按 OK

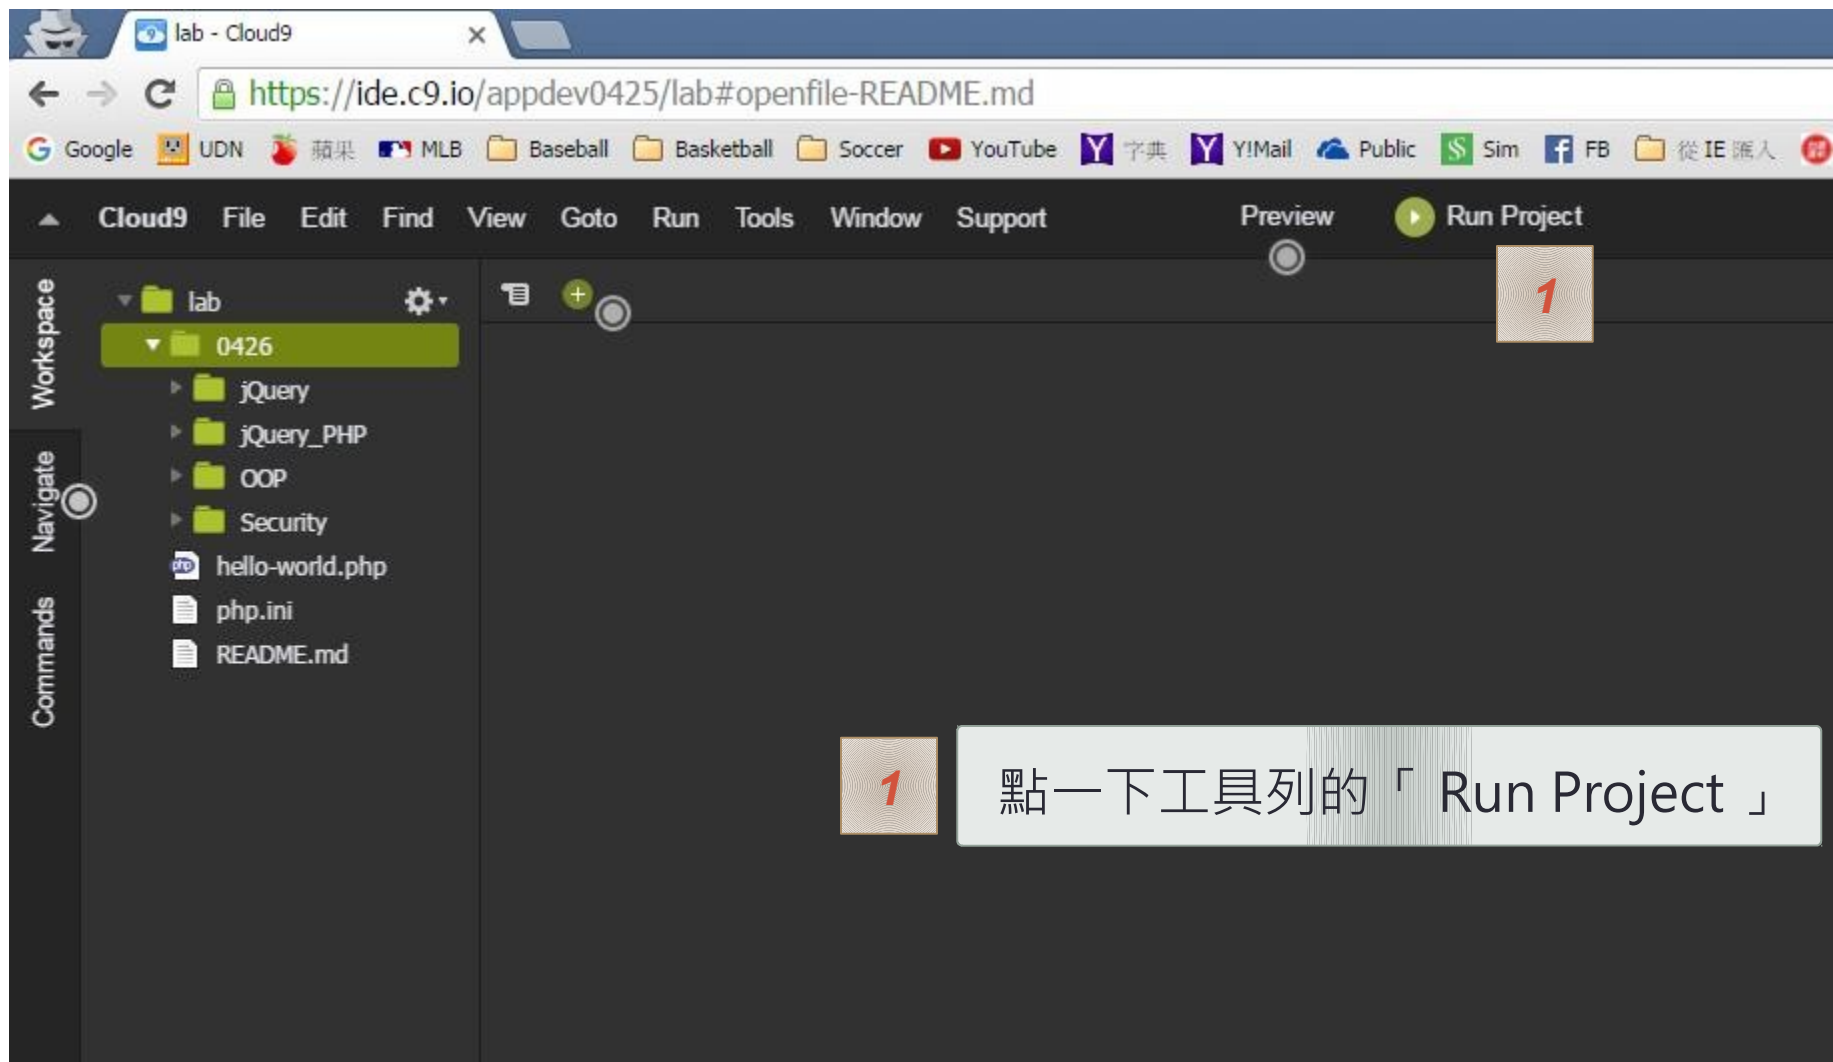

# 上傳 Lab 練習檔案 ( 四 )

5

檔案已上傳到整合開發環境

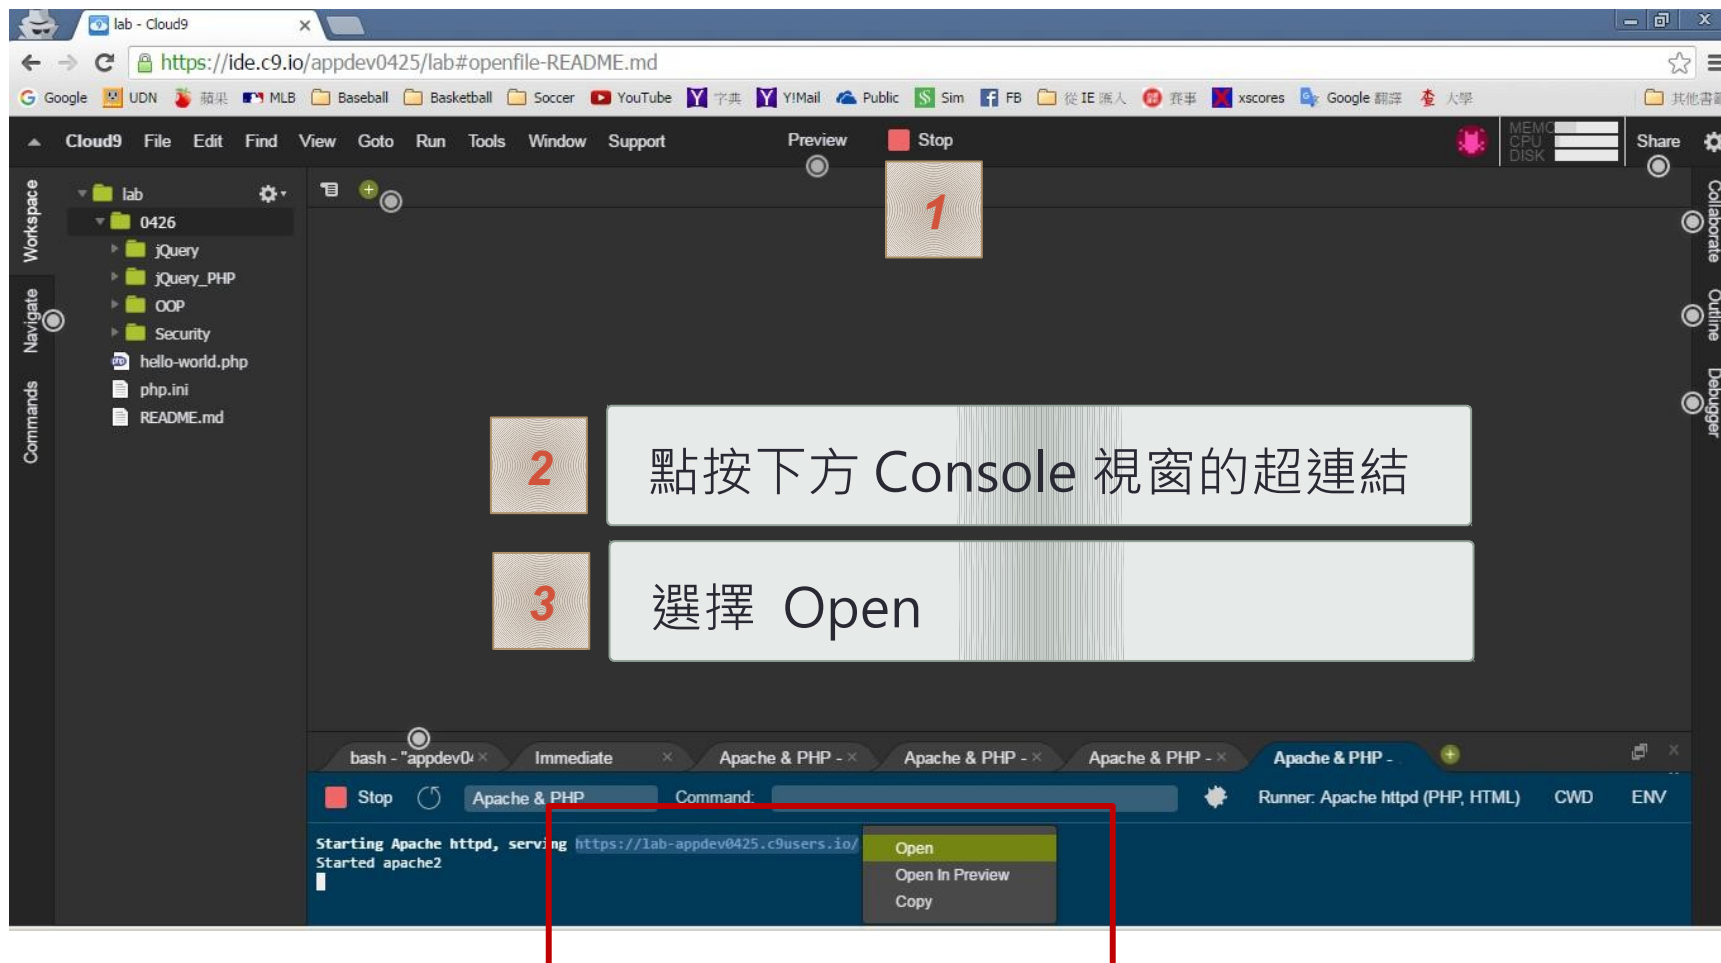

# 如何執行 PHP 程式 (一)

1

點一下工具列的「Run Project」

# 如何執行 PHP 程式 (二)

# 如何執行 PHP 程式 (三)

# 關閉 Workspace = 結束連線

# 關閉虛擬主機後，回到控制面板

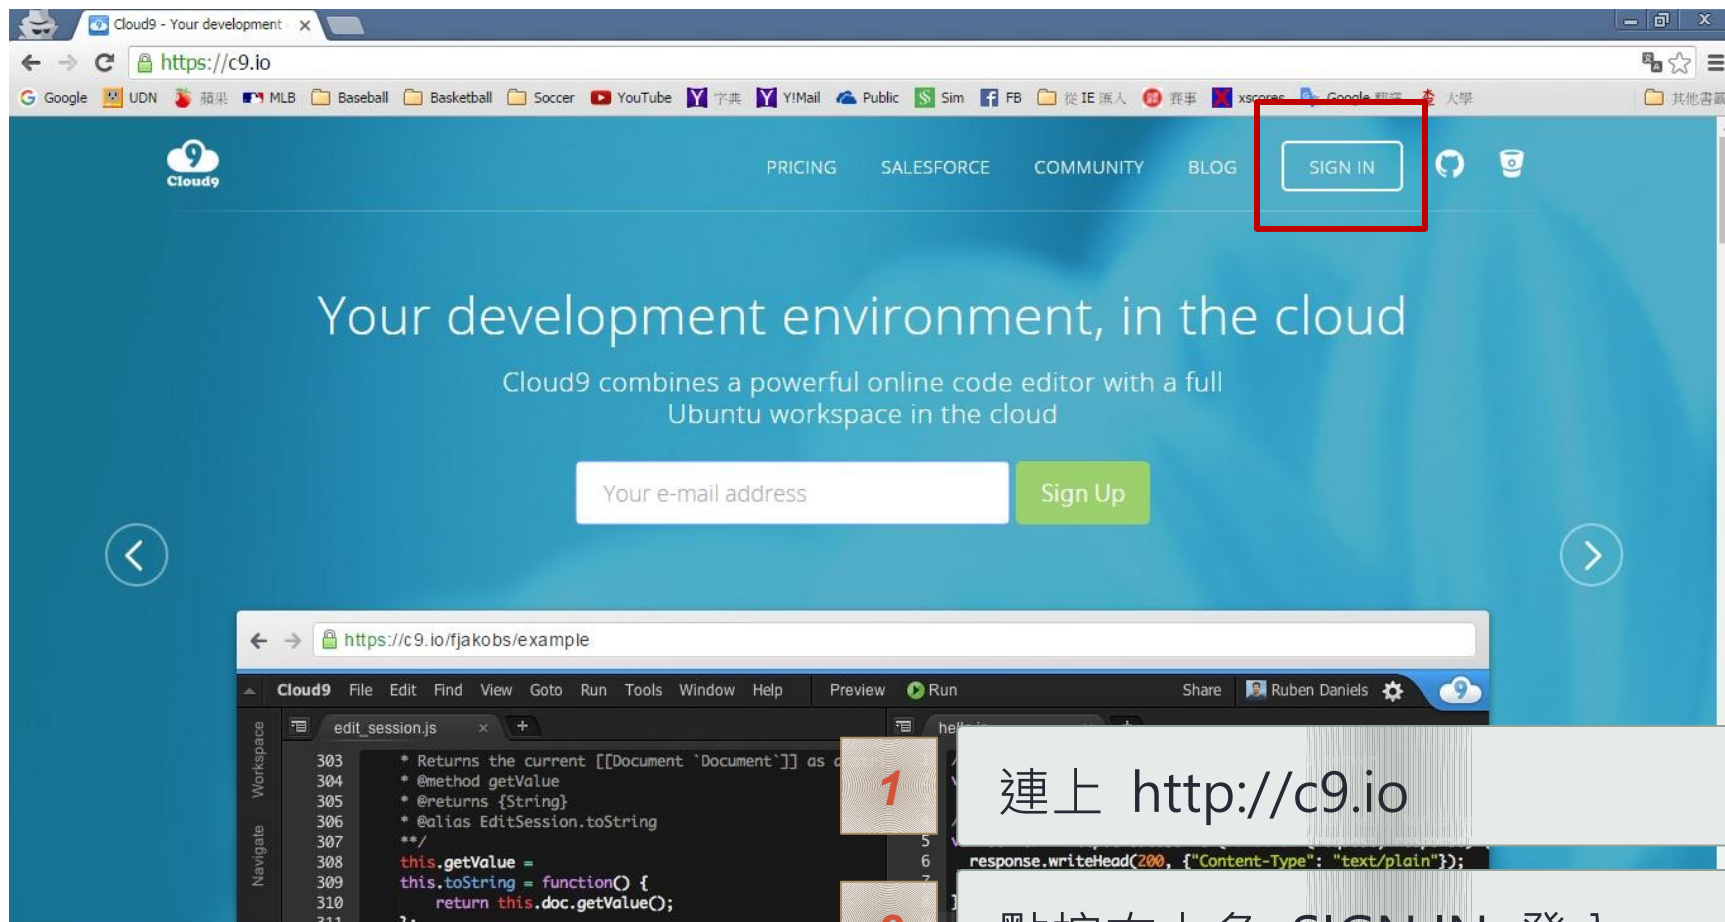

The screenshot shows the Cloud9 IDE web interface. The browser address bar displays `https://c9.io/appdev1226`. The top navigation bar includes a Cloud9 logo, a search bar, and several utility icons. A red rectangle highlights the 'Logout' button, which is a circle containing a right-pointing arrow. The main content area is titled 'Workspaces' and features a large grey button with a white plus sign labeled 'Create a new workspace'. To the right, a workspace card for 'lab' (nodejs workspace) is shown, with details: '1 CPU', '1GB RAM', and '5GB HDD'. The left sidebar contains a menu with 'Workspaces', 'Shared With Me', and 'Repositories', along with a 'YOUR CLOUD9 IDEs' section showing 'Webide: Free' and an 'Update' button.

點按右上角紅色框框按鈕（圖案為向右箭頭），可登出「Cloud9」網站。

# 只要有網路，隨時可以創作（一）

1 連上 <http://c9.io>

2 點按右上角 SIGN IN 登入

# 只要有網路，隨時可以創作（二）

The image shows a screenshot of the Cloud9 sign-in interface. On the left, three numbered steps are listed in orange boxes: 3, 4, and 5. Step 3 points to the email input field containing 'app.dev.1226@gmail.com'. Step 4 points to the password input field, which is masked with dots. Step 5 points to the 'Sign in' button. Below the button is a link that says 'Forgot password? - Didn't receive activation email?'. At the bottom of the sign-in area are icons for GitHub and Docker. On the right, a yellow callout box with a blue exclamation mark icon contains the text: '請查收你的 E-mail 信箱，Cloud9 會寄信件給你，點按信中的連結可設定密碼。'. Below the callout, three more numbered steps are listed in orange boxes: 3, 4, and 5. Step 3 points to the email input field with the text '輸入 Email 或帳號'. Step 4 points to the password input field with the text '輸入密碼'. Step 5 points to the 'Sign in' button with the text '點按「Sign in」登入'.
